Future Stars Show Business camp!*

If you...

- want to star in a musical, or just like singing in the chorus
- are already a Real Actor, or people just say you're "dramatic"
- like to be front-and-center, or just a special part of the group

...this program is for you!

All of the elements of great performance will be covered, including stage presence, focus and stage fright. There will also be various opportunities to showcase our work.

This program partnership is offered by Thetford Recreation and
