

Welcome to Thetford Rec!

For those of you not already familiar with us, the Thetford recreation department offers a variety of activities and programs for Thetford families. We also serve as a clearing house for information offered by local recreation partners including areas parks, Dartmouth athletics, and recreation opportunities in neighboring towns.

One of the departments primary responsibilities is the Thetford youth sports programs. These programs are open to students of the town. Most programs are K-6 and include Soccer, Basketball, Skiing, Baseball, along with a variety of summer programs open to all youth, and some adult programs. Summer programs consist of Nature exploration, Summer soccer, summer basketball, Kayak and canoeing, and Yoga. All these programs are organized by the recreation department and run by volunteers like you.

The first step that families must take to sign up for activities is to log in and sign up with a Recreation account. Make sure addresses, phone numbers, emergency contacts are up to date. Existing families should update information each fall to ensure information is correct, so you receive timely information on sign ups, payments due, schedules, Etc.

*Setting up your account is easy, and only needs to be done once. **Please do not make duplicate accounts;** Once you have set up your account you will be able to sign up for current programs that are offered.*

To get started go to Thetfordrec.com and follow the steps to setting up your account. Please be sure to enter everyone in the household. Account parents should both be listed and you should make sure that both have emails the will get announcements. If you have any questions or concerned in trying to establish an account please contact me: Nathan Maxwell Recreations director town of Thetford. You can reach me in the following ways
